

Ozzi Kleen Under Belly Tanks are a water tank that is lightweight, durable and designed to fit under most standard Semi-trailers and Skel-trailers.

Roto-moulded from food grade Polyethylene, Ozzi Kleen Under Belly Tanks have no seams or joins, making them extremely robust.

### KEY BENEFITS:

- Lightweight and durable
- 2500 litre holding capacity
- No extra trailer required
- Fit most Semi-trailers and Skel-trailers
- Suitable for water and waste water
- Ideal for truck trailer builders, caravan builders and mobile camp builders
- Purchase price only: \$2995 Ex Gst

### CASE STUDY:

Ozzi Kleen Under Belly Tanks are used by Ace Camp Solutions as water storage under their 14m x 3m Trailer Mounted Office.

***“The Ozzi Kleen Belly Tanks are perfect for application on our trailer mounted units. They are easy to install & have good holding capacity.”***

Warren Hohnke, Managing Director  
Ace Camp Solutions
