Authorised Septic Tanks

This is a list of septic tanks and holding tanks (collection wells) authorised in accordance with clause G1.4.4 of the *Tasmanian Plumbing Code*.

These septic tanks and collection wells have been deemed to satisfy the performance requirements of clause G1.4 of the *Tasmanian Plumbing Code* for use in water-borne systems including on-site waste water management systems.

Neatport Pty Ltd

Date authorised 19/04/2016
