RE: OK1 CONTROL BOARDS FOR RP10'S

Dear valued Ozzi Kleen Service Agent,

Suncoast Waste Water Management is offering a one off special price for OK1 control boards. These control boards are for warranty purposes to temporarily replace a faulty control board until it has been repaired and returned to you.

The number of control boards you will be able to purchase at this special price, will be determined by the number of treatment systems you currently service.

These boards are brand new and will be your own responsibility.

Cost each: \$370.00 inc GST

Please let us know if you would like to take advantage of this great offer.

Kind Regards,

Michael Blee
Production Manager
