Email info@ozzikleen.com

*Terms & Conditions:

We will beat any written & verified quote from a competitor for a wastewater treatment system by 10% or give you \$50 for your trouble. We will need to sight the quote for verification.

This offer is valid at all Ozzi Kleen Water & Waste Water Branches & through participating Ozzi Kleen Distributors.

All full installation quotes should include the following

A wastewater management report by an independent soil engineer (Geotech) and site visit by installer are required before any quote is matched (if applicable as per your State's regulation).

- Authority /Council Application Fees
- Excavation & Backfilling – includes any materials required & standard rock clause (extra charges may apply if rock or water etc. are hit during excavation)
- Decommissioning of old system (if septic change over)
- Installation & Commissioning – of the new system
- Licensed Electrician - Connection for system power and alarm (if on other comparing quotes)
- Irrigation Disposal system installation & connection (if on other comparing quotes)
- Licensed Plumber - connecting to Main sewer line from building
- Dependant on comparing quote information & local requirements
