

## This residence has an Ozzi Kleen aerated wastewater treatment system installed.

Please do not discharge **any** items down the sink that may have a harmful affect on the *micro-organisms* inside the Ozzi Kleen wastewater treatment system.

For example:

- Food Scraps
- Excess amounts of fats or grease
- Cloths/wipes
- Or **any** other foreign matter.

As a visitor, tenant or occupant of this home it is your responsibility to look after the treatment system as this will help prevent any potential problems with the system in the future.
